New Exhibits

Through Their Eyes

Real moments. Real memories. Through the eyes of our little visitors.

A Sweet Surprise

One morning at the front desk, a little girl walked up with something tiny cupped gently in her hands.

When she opened them, Ms. Susanna gasped—it was a ladybug!

The little visitor wanted Ms. Susanna to see her new friend before she set it free outside.

Ms. Susanna was so surprised and so touched. They looked at it together for a moment, then carefully took it outside to the flowers where it could continue its adventures.

It's amazing the little things that make the biggest memories.

Little Voices, Big Smiles

“I don’t want to go home. I want to stay here forever.”

— A Happy Visitor, Age 5
